

This section will be folded over and sewn, so make sure nothing important sits here.

This will be visible on the front of the top pole, and is great for your website or social media tags

giant deckchairs & friends

Your logo will look great here. Make it GIANT!

The technical bit...

- + Artwork to be provided as a Vector PDF
 - + Convert all text to vectors / outlines
 - + Minimum resolution of 150 dpi
 - + CMYK document setup
- + No need to include bleed, trim marks, registration marks or colour blocks

Logos will be less visible down here.

Fill your beautiful design all the way to the edges of the template
