

The white bits get folded over and sewn so don't put anything important here - your design should go all the way to the edges

You could put your website or social media tags here

giant deckchairs & friends

Your logo would look great in this space. Make it GIANT!

This area can have information / logos / pictures too,
but remember, it will be hidden by people
when they sit here

The technical bit...

- + Document setup: 1170mm x 2385mm
- + Artwork to be provided as a Vector PDF file
- + **Convert all text / logos to vectors / outlines**
 - + Minimum resolution of 150dpi
 - + CMYK document setup
- + No need to include bleed, trim marks, registration marks or colour blocks

This green bit is where bottoms go, so it's unlikely to be seen when viewed from the front

You could put your website or social media tags here
