

Fill your beautiful design all the way to the edges of the template

This section will be folded over and sewn, so make sure nothing important sits here

This will be visible on the front of the top pole, great for your website or social media tags

# giant deckchairs & friends

A logo would look great here, make it GIANT!

## The technical bit...

- + Artwork to be provided as a Vector PDF
  - + Convert all text to vectors / outlines
    - + Minimum resolution of 150 dpi
    - + CMYK document setup
- + No need to include bleed, trim marks, registration marks or colour blocks

Logos will be less visible down here
